Brown Swiss ANTONOV Mutter Nougat 1.lac.

ANTONOV goes back to the famous champion cow Vigor Noris, bred on the exceptional farm of the Kohn family, who is also the mother of Vavigo and Vintor. His mother Nougat was the most expensive cow at the 1st RBW Sale Night and was sold to a farm in Luxemburg. His paternal bloodlines go back to the Anibal-son Anibay and to the Huray-daughter Indira who was elected Grand Champion Braunvieh / Bad Waldsee 2014 due to her extraordinary production and type traits. Antonov is a type specialist – he promises big framed, elegant cows with a lot of capacity, excellent feet and legs and top udders! (Frame: 119, Feet & legs: 123, Udder: 127, Final score: 129) Apart from that he has a high milk production of more than 800kg and a positive protein percentage. Use Antonov to breed excellent cows without any faults for sale and shows that impress through their excellent milk production.
