Udder cleanness	99	add. teats							clean udder

Fleckvieh IMPERATIV dam Urke 2.lac.

IMPERATIV derives from the same cow family like oldstar Vanstein. His father Impression is a reliable proven Fleckvieh sire who impresses with uniform daughters and great components. Imperativ unifies these qualities with the ones of milk performance sire Wille. Imperativ promises +700kg milk in combination with great components (+0.17% fat and +0.11% protein), thus he is currently one of the top Fleckvieh sires for milk index. In combination with a good beef and fitness index he shows a very balanced dual-purpose breeding pattern and suits for heifer inseminations. His daughters promise to be long-lasting cows that stand out with great feet&legs and best udder quality.
