In the pedigree of the young bull Heroic we find no less a show cow than the reigning Young Cow National Champion Liberty. The dam of the Herzpochen son Heroic, Etoscha-Lavazza, inspires in the breeder's barn with her excellent udder quality. Already in the first lactation Lavazza convinced with an appealing performance as well as an excellent fertility. In this cow family we find numerous offspring ready to perform. Also the granddam Pandora-Livita, Ikebana-Liberty and their dam Engadin-Linda shine with high lifetime performances. Heroic also combines high willingness to perform with appealing fitness and high udder quality.
